PROFESSIONAL SUMMARY

A committed Full Stack Web Developer with proficiency in developing responsive and user friendly web applications using MERN stack. Good understanding of both frontend and backend development with ability to solve problems in the optimized way. Looking forward to further enhance my skill set and work on real time projects in an exciting company.

PROFESSIONAL EXPERIENCE

Instructional Associate
Masai School, Bengaluru
Mar 2022 - Jan 2023
Role: Mentored more than 200 students in becoming MERN developers, while providing focused support on learning React, Node, DSA etc.

- Successfully conducted daily stand-ups to resolve doubts related to the daily tech curriculum.
- Effectively worked with students to develop problem-solving skills through pair programming.
- Assessed and scored weekly evaluations and assignments.
- Provided guidance and helped students build the projects using the MERN stack.
